

Markopy/MarkovAPI/src  
/threadSharedListHandler.h

```
graph TD; A["Markopy/MarkovAPI/src  
/threadSharedListHandler.h"] --> B["string"]; A --> C["fstream"]; A --> D["mutex"];
```

The diagram illustrates the dependencies of the header file `threadSharedListHandler.h` located in the `Markopy/MarkovAPI/src` directory. Three blue arrows point from the header file box to three separate boxes below it, representing the included headers: `string`, `fstream`, and `mutex`.
