

threadSharedListHandler.h

```
graph TD; A[threadSharedListHandler.h] --> B[string]; A --> C[fstream]; A --> D[mutex];
```

The diagram illustrates the dependencies of the `threadSharedListHandler.h` header file. It is represented as a central gray box at the top. Three blue arrows originate from the bottom of this box and point downwards to three separate white boxes arranged horizontally below it. These boxes are labeled `string`, `fstream`, and `mutex` from left to right, indicating that the header file includes these three standard C++ libraries.

string

fstream

mutex
