

Markov::Markopy::BOOST  
\_PYTHON\_MODULE

Markov::GUI::Generate  
::generation

Markov::API::MarkovPasswords  
::Generate

```
graph LR; A["Markov::Markopy::BOOST<br/>_PYTHON_MODULE"] --> C["Markov::API::MarkovPasswords<br/>::Generate"]; B["Markov::GUI::Generate<br/>::generation"] --> C;
```

The diagram illustrates a dependency or relationship. On the left, there are two separate boxes. The top box contains the text 'Markov::Markopy::BOOST' followed by '\_PYTHON\_MODULE' on a new line. The bottom box contains 'Markov::GUI::Generate' followed by '::generation' on a new line. Arrows from the right side of both of these boxes point towards a single box on the right. This box contains 'Markov::API::MarkovPasswords' followed by '::Generate' on a new line. The box on the right is shaded gray, while the two boxes on the left are white with black borders.
